Basic Dog Manners

(Ages: 16 to Adult)

Our "beginner" class for dogs of all ages. In this class, using positive reinforcement methods based on current learning theory and behavior modification techniques, we will teach YOU to teach your dog to respond to commands of come, sit (and stay), down (and stay), and heel. We will teach you to train your dog to have confidence and a desire to please you. Our goal is to graduate dogs who can be a joy to own instead of a dog who has to be put outside or locked away when company comes to visit. Basic manners for the family pet is taught in a fun and positive setting. We will use praise, food, a clicker and lots of patience. Remember, you CAN teach an old dog new tricks! Dogs of all ages and sizes are welcome, but the dog must be at least 14 weeks old and have had at least 2 of 4 puppy vaccinations. Participants in all classes must show current veterinary vaccination at first night's orientation. No aggressive dogs may attend these classes. **All participants attend the first night's orientation program on June 9 at Dog Dayz WITHOUT DOGS.**
